

Denomination of the SUBJECT: Basque culture	Credits ECTS 6 ECTS (150 hours)
Duration, format, and timing within the study plan: This course will be offered exclusively to students from other universities who are undertaking a study stay at Mondragon Unibertsitatea.	
Language English	
Core Competence CC1 That students have demonstrated knowledge and understanding in a field of study that builds on general secondary education, and is typically at a level that, while supported by advanced textbooks, also includes aspects involving knowledge from the forefront of their field of study. CC2 That students are able to apply their knowledge to their work or vocation in a professional way and possess the skills usually demonstrated through the development and defense of arguments and the solving of problems within their field of study. Transversal Competence TC5 GLOBAL PERSPECTIVE Knowing one's roots and being curious to understand and respect the culture and history of other countries. Believing that multilingualism and all cultures have something to teach, and not being satisfied with doing things the way they have always been done, but wanting to try new and different ways of doing things. Taking responsibility for the existing problems in their world and being aware of, and working for, the environment and social justice for all living beings. General Competence / Personal: GC7 Understands and values cultural, social, economic, and political diversity at local and global levels, with an open and broad perspective toward different cultures, traditions, values, and ways of thinking. Specific Competence / Profesional: SC 10 Self-Knowledge - Builds and applies learning strategies for personal and professional growth.	
Learning outcomes: LO7_3 In the face of a diverse, interconnected, and multicultural social context, shows openness, a positive attitude, and broad-mindedness in addressing its implications in the short, medium, and long term. LO17_4 Interacts and cooperates in different sociocultural environments.	
Prerequisites: No prerequisites have been established.	
Brief summary of contents: - Obtain general information about the Basque Country. - Observe, explore, and understand the history and people of the Basque Country. - Develop an analysis of the Basque Country. - Learn Basque (Euskera) at a basic level.	
Training activities: The training activities planned for this module are as follows: Cooperative work: Development, writing, and presentation of group activities (2 ECTS, 50	

hours).

- Development, writing, and presentation of individual assignments (2 ECTS, 50 hours).
- Workshops aimed at the acquisition of specific competencies (2 ECTS, 50 hours).

Evaluation system:

All subjects will be assessed using a continuous evaluation system, which provides both teachers and students with constant feedback on the learning process throughout the academic period. As a guide, the criteria governing the degree evaluation system are as follows:

- Educational activities aimed at acquiring knowledge and in which individual study predominates may be assessed by means of oral and/or written tests, which will account for a maximum of 40% of the final mark.
- On the other hand, those educational activities aimed at acquiring the practical skills of the subjects will be assessed through the completion of different activities (assignments, case studies, problem solving, etc.), which together will account for at least 60% of the final grade.
